## NOTICE OF PROPOSED RATE CHANGE

Dear Valued Frontier Customer,

At Frontier Communications, our goal is to provide you with the best services while keeping rates for our customers as low as possible. However, in order to continue to provide the highest quality and most frequently requested communications services, Frontier must make adjustments to rates as our costs of doing business have increased over the years.

With this in mind, in accordance with Nebraska statutes and the Rules of the Nebraska Public Service Commission (Commission), through this letter Frontier is providing you with notice of its intent to increase the basic residential and business local exchange rates in all of Frontier's Nebraska service territory, effective May 24, 2016. The proposed basic residential and business local exchange service rate increases are as follows:

	Current Rate	Proposed Rate
Basic Residential Local Exchange Rate	\$20.50	\$21.50
Basic Business Local Exchange Rate	\$31.50	\$32.50
Customer Owned Pay Telephone Service	\$29.50	\$31.50
Coin Line Service	\$38.50	\$40.50
Trunks	\$39.50	\$40.50

*continued on back*

This price change will not affect the prices for bundled services offerings. Public informational meetings will be held during which further details will be provided with regard to the proposed rate increase. As a valued customer, you are welcome to attend these meetings. The meetings will take place at the following locations and times:

Date	City	Time	Location
3/29/2016	Madison	6 pm	City Auditorium 209 S Lincoln Madison, Nebraska
3/30/2016	Kearney	6 pm	Harmon Park Activities Center 3100 5th Avenue Kearney, Nebraska

You have the right as an affected customer to petition the Commission for a review of this proposed rate increase. In accordance with applicable statutes and Commission rules, Commission review will occur if at least five percent (5%) of affected customers present proper complaints to the Commission. Since approximately 3,214 customers will be affected by this increase, at least 161 customers must sign and file complaints with the Commission for a review to occur. Each complaint is required to include the date, customer's signature, and the customer's telephone number. Complaints mailed to the Commission should be postmarked by May 23, 2016.
